If the above-referenced account number is the successor to a previous account number, please provide the above-referenced documentation/information for any and all related account numbers.

Please be advised that at the request of Mr. Azur, this law firm also is currently working with federal authorities who are likewise investigating this fraud. To facilitate the investigation of this matter, it is imperative that we receive the requested documents as soon as possible.

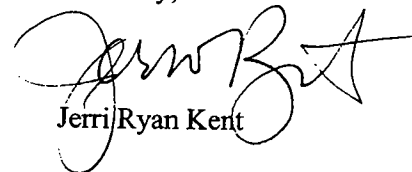

Under the circumstances, we do not believe there will be any fee charged by you to Mr. Azur; however, if you are requesting payment for this information, kindly contact us in advance with your request.

It is my understanding that as a result of Mr. Azur's previous notification to you of fraud, the above-referenced account is no longer active. If this is not the case, immediately close this account.

Also, please be advised that Mr. Azur is formally disputing that he is responsible for the payment of any unpaid charges and accompanying finance charges on this account. Mr. Azur did not make, and did not authorize, those charges; Mr. Azur also did not receive any benefit from those charges. Those charges, like many or all of the previously paid charges, are the result of fraud.

Thank you very much for your time and cooperation in this matter. Please feel free to contact me if you should have any questions.

Sincerely,
